

# BOW ELEMENTARY SCHOOL

## COMMUNITY SERVICE AT BOW ELEMENTARY SCHOOL

At Bow Elementary School, students and staff shared the spirit of giving this season with numerous community service projects. Below is a list of activities completed at our school in the last month.

- ◆ Kindergarten collected non-perishable food items to donate to a local food bank.
- ◆ First grade organized a Mitten Tree Drive. Mittens, hats, and scarves were given to children at Dame School in Concord and other school children in the Capital Region. They are also doing a service learning project that results in the purchase of gifts for children who live in a local homeless shelter.
- ◆ Second graders shared their creativity and thoughtfulness by making holiday cards for the residents at Pleasant View in Concord.
- ◆ Third graders collected canned goods to donate to a local food pantry.
- ◆ Fourth graders gathered school supplies for the Bow School District's partner school in El Salvador.
- ◆ A collection box was located in the lobby for the collection of Toys for Tots.
