

1. Reminder notice: Bow Memorial students may not ride the Elementary School buses in the morning without a pass from their teachers. There is no supervision for students before 8:25 am at BMS unless a teacher has requested that a specific student come in for extra help, for a meeting, or to make up missed work. Students may not ride the 'early bus' to socialize with friends before school.

2. Since the 'Influenza-like-Illnesses' have subsided, BMS will return to the usual homework system. Parents of students who have been absent for two or more days may request homework assignments that can be picked up in the main office. Please note that teachers need a full day to gather work and materials for student assignments.

Mr. Spofford and Mrs. Girard
