Winter Sports season began with an interscholastic competition on December 6, 2010.

Annual Winter Chorus Concert – On December 7, 2010 Bow High School hosted our Annual Winter Choral Concert. A large audience was treated to some wonderful songs from the Bow Memorial School Choir.

Math Team Our interscholastic Math Team held their first home meet of the season on December 9, 2010. Congratulations to everyone who participates in this program.

School Dance – On December 10, 2010 the Student Council sponsored a school dance. A long standing tradition at Bow Memorial School, our dances are experiencing a significant decrease in attendance. Our Student Council is examining this and beginning to discuss alternative types of social gatherings for our students.

Granite State Symphony The Bow Memorial Chorus performed with the Granite State Symphony on December 12, 2010. This performance took place at the Concord Audi and was a return performance for our Chorus.

LIP – Our LIP group hosted a “Vacation” breakfast December 17, 2010. This was a very successful event and will no doubt become a LIP tradition.

SIS Training During the month of December several members of the Bow Memorial faculty and staff participated in training session on the new Infinite Campus system. All accounts are very positive about this new tool for district-wide use.

Merry Christmas and Happy Holidays!
