

Bow School District-SAU #67
Professional Development Committee
MINI-GRANT APPLICATION FORM

The Professional Development Committee of the Bow School District is seeking proposals from groups of professionals from January to June 2012. The proposals must result in professional growth and be collaborative. All grant work must be completed by June 2012. The proposal will specifically outline the agenda for the proposed work and will clearly define the product that will be developed.

Please complete this application and have your administrator forward to DWinings@bownet.org. Administration must electronically initial and sign the document giving approval and stating that the mini-grant proposal aligns with school and district goals.

Grants need to be submitted by the last Thursday of the month by 3:00. The January deadline was extended to 12:00 pm on Wednesday, January 3rd.

Reviews occur the first Thursday of the following month. Applications will be accepted for this round of mini-grants until May of 2012.
